Booking with the Wedding Group vs Individually Online or with Another Agency

1. Individual bookings made online or with another agency will not be available for everyone in a group. These rates are based on a live inventory system whereas seats and rooms are purchased, the fare increases. These rates are only available for a small number of seats and rooms. Therefore, the people who are last to book may end up losing the most by having to pay the larger package amount.
2. The hotel may charge for the reception for anyone who is not booked inside the group (reception charge could be anywhere from \$90 to \$150 USD per person for dinner).

3. Amenities and cocktail events are for group guests only- outside guests may have to pay an admission fee or day pass (subject to the hotel).
4. Booking outside the group will not count towards Wedding Couples incentives given by the Travel Agency, Airline or Hotel wedding package.
5. Individual bookings would not partake in any hotel credits and added features are for group guests only i.e.- blocked seats, area at the hotel, rooms close together, private check-in upon hotel arrival (subject to the hotel).
6. If there is a flight change, the group will be looked after completely and will be the first to be accommodated as one large file. Individual packaged guests who booked outside of the group will be responsible on their own and will be accommodated once the larger group has been looked after. This would be the same for weather delays, cancellations, and over-bookings. Individual packaged guests booked outside of the group are placed into a queue.
7. In the case that the host resort has been oversold the same conditions as #6 will apply. Groups will be accommodated first, and Tour Operators reserve the right to move individual bookings to a different property.

These are just a few of the differences between an individual package booked online or another agency versus booking within the Bride & Grooms group booking. The final decision on how you attend the wedding is your choice. If there is a package you would like for us to review and book individually, please send us the screenshots of what you have found, and we can explore this for you.
